DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 03/12/2009 has been entered.

Response to Arguments

2. Applicant's arguments in light of the amendment with respect to the 35 USC 112 rejection and prior art rejection have been fully considered and are persuasive. The 35 USC 112 rejection and prior art rejection has been withdrawn.

Claim Objections

3. Claim 20 is objected to because of the following informalities: the limitation "the current cache size" should be changed to –a current cache size–. Appropriate correction is required.

Allowable Subject Matter

4. Claims 1-14,16-19,21,22,24-30 and 32-34 are allowed. Claim 20 is allowable upon removal of the claim objection.

The following is the statement of reasons for the indication of allowable subject matter: The prior art disclosed by the applicant and cited by the Examiner fail to teach or suggest, alone or in combination, *all* the limitations of the independent claim(s)

(claims 1, 20 and 21), particularly selectively transferring a current data entry to a data queue in the host memory if the lower limit is greater than or equal to a first value, wherein the first value is a number related to a current cache line size, thereby preventing an overwriting of an unprocessed data entry in the data queue.

Conclusion

5. This application is in condition for allowance except for the following formal matters: claim objection for claim 20.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 25 USPQ 74, 453 O.G. 213, (Comm'r Pat. 1935).

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
